
Connecting To A Database: connecting.php

```
<?php
```

```
    mysqli_connect("localhost", "cl20-exampledb", "K7.7grb-Y", "cl20-  
exampledb");
```

```
    if (mysqli_connect_error()) {
```

```
        echo "Could not connect to database";
```

```
    }
```

```
?>
```
